Wooden accent – Moso Bamboo Endurance

To add warmth and a modern look to outdoor spaces, we offer Moso Bamboo Endurance, a premium bamboo composite. Its structure combines the natural beauty of wood with advanced technology, ensuring exceptional stability and a 25 mm thickness. Hidden fastenings create a smooth, seamless finish, giving the space an elegant and timeless appearance.

Wood durability

Moso Bamboo Endurance is characterised by exceptional longevity, supported by a 20-year warranty. The material is fire-resistant, moisture-resistant, and unaffected by temperature changes, maintaining its shape and colour in all weather conditions. Maintenance is minimal, ensuring reliable use for years to come.

GRILLS

Broil King

Broil King grills are synonymous with top-tier performance and limitless culinary possibilities. This is precisely why they are our first choice for integration. With precise heat control, exceptionally durable grates, and powerful

burners, they allow you to prepare everything – from juicy steaks to crispy vegetables and slow-cooked specialties. As a premium addition to your Chef de Jardin outdoor kitchen, Broil King grills create a true outdoor experience and turn every gathering into a gourmet celebration.
